IN THE MATTER OF

Michigan Standard Alloys, Inc.  
Zinc Division

WRC NO.: NC-1-75-01-0841

NOTICE OF NONCOMPLIANCE AND ORDER TO COMPLY

TO: Michigan-Standard Alloys, Inc.  
Zinc Division  
P.O. Box 688  
Benton Harbor, Michigan 49022

Attention: Mr. Jay Fowler

PLEASE BE ADVISED that your facility has failed to comply with the conditions of the Federal Water Pollution Control Act (P.L. 92-500) of October 18, 1972, in that you have failed to submit an application for a permit to discharge wastewaters to the surface waters of the State of Michigan, these being waters governed by the provisions of said Act.

PURSUANT TO THE TERMS of the aforementioned Act, and regulations promulgated thereunder, you were required to submit an application for a National Pollutant Discharge Elimination System Permit by no later than April 16, 1973. You were informed of your responsibility to submit a permit application by letter dated January 9, 1974. By letter dated September 18, 1974, the proper permit applications were provided and you were again reminded of your responsibility to apply for a discharge permit.

BE ADVISED that the Water Resources Commission has to date not received the required application.

IT IS THEREFORE ORDERED that you submit the required completed application forms by no later than January 31, 1975. An additional form is enclosed herewith. Failure to comply may subject your establishment to criminal penalties and/or civil litigation.
